Where's My Robot Video Assignment

After you have watched the BBC documentary "Where's my robot", you will create a colored poster that answers the following questions:

1. What is required to create an autonomous humanoid robot? (8 marks)
2. If you could design your own humanoid robot, what would it look like and why? You must include a diagram of your design. (5 marks)
3. What would your humanoid robot be designed to do for you? (2 marks)

You will also be marked on your effort and on the presentation of your poster, so please make it neat and be sure to add some colour! (5 marks)

While you are watching the video, you will need to think about this question and take some notes on this page (5 marks)

Notes:
