

WEEKLY DRAGON TALES

March 24, 2024

Living the Langdon LAIR life

Hello Langdon school families,

It's Term 3! Can you believe it?! This means the last option classes start for grade 6-9 this week. If your child notices an error or blank in their schedule, please ask them to come to the office and we will get it sorted out.

This Wednesday we celebrate all the wonderful things your child has learned so far this school year. The classrooms have been bustling with activity as students prepare their displays, projects, presentations, music performances, etc. We will also have a number of guests from the community who help support our students and school. This includes Trellis, Synergy, Stepping Stones for Mental Health, and Greener Pastures Psychology. And you might want to bring some change as the music "buskers" raise money for the band program and some of our leadership students sell bracelets and keychains they have made to raise money for our future Dragon mascot.

This week is our school Scholastic Book Fair, March 26, 27, and 28th! Come and meet our Learning Commons Facilitator, Ms. Tamara and see all the great books on sale. Purchases earn Scholastic dollars that can be redeemed for books and educational resources that can be used in our classrooms and libraries.

Leadership Students have planned a fun egg hunt for the elementary students on Thursday. There will also be a Spring Dance for grades 6-9 in the afternoon. For those who prefer a quieter space, a games room and a movie room are available.

The 2023-24 yearbook fee is now posted on SchoolCash as well as term 3 option fees.

The Langdon Community Association is hosting a free community Easter event on Sat March 30th from 9am to 12pm at the fieldhouse and Qualico Resource Centre. Egg hunt at 10am for all ages at the connection courts. Other activities include face painting, crafts, games, photo booth and colouring contest.

The evening of April 25th 6pm-8pm, Sarah Thompson and Langdon School are proud to host an evening with Dr. Caroline Buzanko at Sarah Thompson School. This engaging presentation for parents is called "Resilience: Helping Children conquer challenges, manage anxiety and thrive". Babysitting will be provided. We hope you can join us.
