

WEEKLY DRAGON TALES

April 28, 2024

Living the Langdon LAIR life

Hello Langdon school families,

May and June are quickly filling up with events, field trips, final assessments and planning for next year. It can be an exciting time, but we also need to do our best to stay focused on learning and following LAIR expectations. Spring fever is a very real thing after a long winter and we are starting to see more rough housing outside with the younger students and late arrivals in the morning and after lunch with the older students. Please remind your children, if they go off campus, to make good choices during those times and be back in class by bell time.

Last Wednesday, many of our students took part in the Helping Hands Clean-up as part of Earth week activities. They did an incredible job! Shout-outs to leadership students, 1/2C, 3/4L, 7B, and 9S! It makes a huge difference when students take pride in their surroundings and play a key role in keeping school property clean and safe for everyone.

We need more pictures for the yearbook! If you happen to have photos from any Langdon sports, posed or action shots from games held so far this year, could you please send these to Ms. Gray at malgray@rockyview.ab.ca.

We want to get to know more members of our community! Our leadership students will be hosting a **Senior's Tea on May 3 at 10am**. If you know any community members who would like to join us for some refreshments and activities, please have them RSVP to me at sstorey@rockyview.ab.ca.

The office and admin team have been busy with budgeting, staffing and initial timetabling for next year while prioritizing the everyday interactions and responsibilities. Stay tuned for information regarding the class placement processes, student transitions, teacher assignments, etc.

Hope you all had a lovely weekend, and your children enjoy their extra day off!

Have a wonderful week,
Shannon Storey
