

WEEKLY DRAGON TALES

May 5, 2024

Living the Langdon LAIR life

Hello Langdon school families,

This past week was filled with opportunities to connect with our Langdon community. Sarah Thompson School and our school helped out with the Tim Horton's Smile cookie campaign. A ton of cookies were ordered, and this means some proceeds will go to benefit the Langdon Community Association. Thank you to the Parent volunteers, staff helpers and all of you who ordered cookies.

The grade 5/6 leadership students hosted the first Langdon Senior's Tea on Friday morning. The maker space was transformed into a spring garden themed room with flowers, balloons and pretty tables. Students welcomed guests, served tea, lemonade and baked treats, and did a picture frame craft that everyone could take home with a group photo. They enjoyed conversation and ended the tea with a tour of our school. Mrs. Moskal and I could not be prouder of our students and it was wonderful meeting our neighbours! As a special surprise, MLA Chantal de Jonge happened to come by for a visit and spent some time with us at the tea.

The parking authority from the M.D. of Rocky View has requested we ask our families to refrain from dropping off or picking up students on Wilson Street. There are concerns that the grass is getting damaged and this should not be a stopping area.

Grade 6 and 9 Provincial Achievement Tests are just around the corner. Instructional time continues in the afternoons on these test days. Last school year, many students left once the tests were over. If you choose to excuse your child, their absence must be put in safe arrival prior to them leaving school property. The expectation is that they remain at school but as a guardian, it is your choice to excuse them.

Don't forget to share your feedback on ward changes. Information can be found here: <https://www.rockyview.ab.ca/news/post/rvs-seeks-public-feedback-on-ward-boundaries>

Have a wonderful week,
Shannon Storey
