Living the Langdon LAIR life

Hello Langdon school families,

June is National Indigenous History Month. Visit the Government of Canada website to learn more: <https://www.rcaanc-cirnac.gc.ca/eng/1683124800202/1683124846095>

There is a wealth of information about present day communities, stories and traditions. Specific aspects will be highlighted throughout the month:

- June 1 to 9: Environment, traditional knowledge and territory
- June 10 to 16: Children and youth
- June 17 to 23: Languages, cultures and arts
- June 24 to 30: Women, girls and 2SLGBTQI+ people

June 5 – Parent Society AGM, 6pm  
June 7 - Parent Volunteer Appreciation 12pm

It was wonderful to meet our future Dragons from Sarah Thompson School this past Thursday. It looked like the Grade 5 students enjoyed getting a preview of what next year will look like. Mr. Legault showed them around the building, and they met many of our staff members. They then joined the rest of the school for the afternoon Spring concert and had an opportunity to learn more about grade 6 band and the various instruments they could try next year.

The concert was great as usual, and students should feel proud of what they accomplished this year. Learning an instrument can be trying but so rewarding when a song comes together. The videos from the afternoon and evening shows will be on YouTube soon.

This Wednesday the grade 8s and 9s will get a tour of Horseshoe Crossing School from Mr. Fenton. We will be walking down at 8:15am with the grade 8s and 9:00am with the grade 9s.

Langdon's Got Talent auditions will happen June 10-14<sup>th</sup>. Performers have one more week to get ready! There were a lot of students who signed up so unfortunately there will need to be cuts this year. If your child is performing, you will be invited to come to the show on the 25<sup>th</sup>.

If you volunteered with the school this year we would love to see you Friday for the appreciation event. Please RSVP by end of day tomorrow so we can plan accordingly.

If you have come by the school, you would've seen the new doorbell and camera system. One button is for during school hours and the other is for after hours. It may take a moment or two to buzz people in, so we are asking that students and guests *not* push the after-hours button as it is heard throughout the building. Thank you for your help with this as we get used to enhanced security for our building.

### **Upcoming Transportation Registration Night**

Rocky View Schools (RVS) Transportation is pleased to offer a transportation registration night at Chestermere High School in the South Gym on June 5 from 4-7 p.m. to help families register for bus service for the 2024/25 school year. RVS Transportation Staff will be on hand to offer you one-on-one assistance to register your children for bus service. Computer stations will be set up at the school, so it is not necessary to bring your own device.

Please set up your PowerSchool parent account beforehand so you can log in. You may register online if you prefer. This is optional for those who would like assistance.

### **Important Registration Information**

- Register before June 30 for a discount of \$40 (first two students in your family; \$20 off additional students). A minimum payment of 50 per cent is due at the time of registration.
- Payment is processed online; only credit or visa debit payments are accepted.
- Families must register for transportation by Aug. 1 to ensure their child can ride the bus on the first day of school. Students registered after this deadline may experience delays of two to three weeks before they can ride the bus as late applications will be processed with a start date after Sept. 18.

More information about this event is available on the [RVS website](#).

Have a wonderful first week of June!
