

WEEKLY DRAGON TALES

June 9, 2024

Living the Langdon LAIR life

Hello Langdon school families,

There are now only 13 school days left for students until summer! Teachers are continuing to provide learning opportunities for students during this wind down. They are also doing some final assessments or make-up assignments. Attendance is still very important to keep building those cognitive skills such as memory, problem-solving, and attention.

Langdon's Got Talent auditions are this week during lunch hour. Those with an act are asked to double-check their audition times and judges are also reminded to come on their assigned times during the lunch hours.

Thank you to those who came to the Parent Volunteer Appreciation day on Friday! We know there are many more who could not make it so know that we are grateful for everything you do. A special thanks to Anne, Graylynn, Denessa and Lyla for serving our guests and to Gabby, Andrea and Madeline for performing some tunes for us.

In case you missed the Spring concert or would like to watch it again, here is the link:

Unfortunately the music for the Grade 6 performance has to be muted because of copyright violation in Youtube.

Earlier today, Mr. Legault sent the official invitations for the grade 8 and 8 Farewell evenings. The Farewell staff committee has been working hard to make this a memorable send-off for our students who are off to Horseshoe Crossing next year.

The ceremonies will be 5:30-6:30 at which time parents leave and the students stay for a pizza party.

This Friday we encourage students and staff to wear bright colours for our Inclusion Day. This day is a reminder that we all belong regardless of our ethnicities, abilities, gender, orientation or socio-economic backgrounds. Diversity is something that makes us more empathetic, understanding, resilient and creative.
