2023/24 School Education Plan At-A-Glance

This Year We Worked On:

- PBIS: Teaching whole school lessons for L.A.I.R. (Leadership, Accountability, integrity, Respect).
- Student engagement through meaningful literacy/numeracy activities (i.e. book clubs, buddy time, hands on math activities, application to real life).

You Can Help By:

- Read with your children, play math games (cards, Uno, chess, etc.)
- Praise your children when they demonstrate L.A.I.R. values.
- Talk to your child about their learning and future career interests.

Next Year You Can Look Forward To:

- Additional opportunities to showcase student learning
- L.A.I.R. expectations for specific spaces (i.e. classrooms, gym, bus, etc.)
