

WEEKLY DRAGON TALES

October 14, 2024

Living the Langdon LAIR life

Happy Thanksgiving Langdon school families,

I hope everyone has enjoyed this beautiful weekend. I can't believe I am sitting in shorts as I write this.

Last Thursday was a very busy, but fun day to end the week. Our Langdon fire fighters joined us for a drill Thursday morning as part of Fire Prevention Week and students did a great job exiting the building quickly and quietly. Thursday afternoon was our first pep rally of the year. The grade 6 leadership students organized and facilitated the celebration. Athletes and Dragons of the Month were recognized. There were some fun contests between classes including a plank challenge and tug of war. Teachers then played volleyball against our Junior A Girls and Boys teams. The afternoon was capped off with Mr. Legault and I getting a pie in the face for the incredible amount of money (\$2500!) raised for the Terry Fox Foundation. Check out some pictures below! Next up for our Leadership students – Halloween fun!

We are still looking for a Jr. B Boys volleyball coach. Please contact Susanne Moskal if you can help out. Grade 6 volleyball starts this week with practices on Tuesdays at 7-8am and Thursday 3-4pm. The Jr. A girls host a volleyball tournament at Langdon School this Friday. Come cheer on our girls at 3pm and 8pm!

This year one of our goals is to help our middle school students relate their learning to possible future careers. We will be reaching out to parents and community members who may want to facilitate sessions for a Career Day. Entrepreneurs, trades people, farmers/ranchers, frontline workers, engineers, service industry, IT...maybe you would like to share your career journey! More details to come soon!

Have a fantastic week,

Shannon Storey

Coming up:

October 16 – Picture re-takes

October 17 – Volunteer Orientation 8:30am

October 21 – School (parent) Council, 6:30pm

October 23 – Gr. 7 and 8 fieldtrip to “New Blood” performance, Strathmore
