

WEEKLY DRAGON TALES

October 20, 2024

Living the Langdon LAIR life

Hello Langdon school families,

School (Parent) Council will meet Monday evening at 6:30pm at the school as well as via zoom. The last meeting was one of the best turn-outs I have seen since joining Langdon School and we had some great conversations. Please consider coming out some time this school year!

Athletics Update: The weather is changing and we are still rotating Grade 5 - 8 PE all year. The next units are Football and Pickleball. This means they are outside. Students have a PE calendar in their class to track when they are inside and outside. It is important that students dress warm for those morning PE classes. While it has been better this year, there are still some students coming with inappropriate footwear. Croc "sport mode" doesn't count!

Grade 6 Volleyball is up and running and the sign up for Jr B will be up this week for grade 7 & 8's. Thank you to community coach, Jocelyn Cartwright for coaching with staff sponsor Mrs. Bird for the girls' team and Mrs. Ross for coaching the boys team.

There is a little confusion about our morning bells. 8:05am is when the first bell goes and students should be lined up with their classes. The expectation is that they are in their classroom for the 8:10am bell. No one should be waiting for the 8:10 so they can come in through the main entrance to avoid going to their own door. However, in the rare occasion students are late, they will come in that door to sign in. Lining up has also been a gamechanger this year. Students are respectful, they are calm coming inside, at their lockers and when they are changing outdoor shoes. If they get some breakfast, they are polite and quickly return to their classroom. The same expectations apply coming in from recess.

Option fees are due on October 31. If needed, there is a fee waiver form on the school website, or you can contact Jackie Caza.

Have a fantastic week,

Shannon Storey

Coming up:

October 21 – School (parent) Council, 6:30pm
October 23 – Gr. 7 and 8 fieldtrip to "New Blood" performance, Strathmore
October 25 – Kinder PTSIs
October 31 - Halloween
Nov. 1 – Professional Learning Day, no school
