Good turn out.</li> <li>• Admin is currently interviewing for (2)1 teaching positions, grade 2 and 5.</li> <li>• Something new that’s happening at Langdon school; students are now expected to line up quietly and calmly outside every morning, and every break. This has reduced aggressive behaviour among the students while entering the school.</li> <li>• The NO cell phone rule has been going really well. Overall, the jr. high students have not been bringing their phones in to the classrooms.</li> <li>• The Terry Fox run is this Friday. The school could use more volunteers.</li> </ul>	<p>9:38am</p>

<p><b>b. Personal Mobile Devices and Social Media Procedure</b></p>	<p>Shannon</p> <ul style="list-style-type: none"> <li>• Currently, some students in the elementary grades were using their personal devices during break times. Admin felt it would be best to have students interacting with one another and engaging in physical activity. Students also cannot be individually monitored during unstructured time and this can sometimes lead to inappropriate use of devices. Therefore, a proposal brought forward was for devices to be left in bags all day (lockers for grade 6) or left at home. This would take effect October 1, 2024.</li> <li>• Andrea made a motion for no cell phones/ personal devices during school hours for kindergarten to grade 6, starting October 1, 2024, Allie second.</li> <li>• All in favour; no opposed; motion passed</li> </ul>	<p>9:45am</p>
