

WEEKLY DRAGON TALES

November 17, 2024

Living the Langdon LAIR life

Hello Langdon school families,

We may have parents/caregivers who are not familiar with our Showcase of Learning evening. This is a celebration of your child's progress so far this school year. It is an opportunity for them to demonstrate their learning for you, rather than just talk about it or see an assessment on PowerSchool. You are encouraged to tour around the building with your child and see the many things going on such as interactive activities, games, art displays, music, etc. You will see a variety and student voice and choice in learning. A map will be provided upon entry.

Mark your calendars for the Christmas event on Nov 30th at the Langdon Community Library. There will be a kid's holiday store, Santa, coloring contest, firepits, crafts and more. Any students who would like to do some Christmas carols that day, please see me (Ms. Storey) and I will help coordinate with LCA.

Basketball season is just around the corner. We will once again need coaches for some of our teams. (Grade 6, Junior A and Junior B). If you are interested, please contact Mrs. Moskal and she can answer questions and share the tentative schedules.

We have been very fortunate to welcome an Indigenous Artist-in-residence, Chantal Chagnon. Chantal is a Cree / Métis Singer and Drummer who is sharing traditional Indigenous music and stories with our students and staff. She is captivating, kind, and has a way of enlightening and entertaining everyone in the room.

This week it'll really start feeling like winter. Students are reminded to dress warmly, bring those hats and mitts and wear appropriate footwear for going outside. And please label all those items! Our lost and found is already overflowing.

Have a wonderful week,

Shannon Storey

Coming up:

Nov. 19 – Class Photos

Nov. 27 –
Parent/teacher/student
interviews, 4:30-7:30pm

Nov. 28 – Fall Showcase of
Learning evening, 4:30-
7:30pm
