

WEEKLY DRAGON TALES

January 19, 2024

Living the Langdon LAIR life

Hello Langdon school families,

Did you know this past Thursday was National Dragon Day? So, what better day to introduce our weekly “Plinko” rewards. Teachers were asked to send a student from their class who had been particularly helpful or kind that day or week. Mini prizes included chocolate, lollipops, fidgets, stickers or if they got the disc in the middle, a LAIR t-shirt. Thank you to Ms. Jeelani and students from her construction class for making this board I had wanted for a while! It’s awesome.

Your child may have shared that they had various teachers (or admin) in their classrooms last week. We recognize how difficult this can be on students. Our staff are taking on extra responsibilities such as covering classes during prep times, filling supervision slots at recess and lunch hour, and helping to plan lessons for colleagues or substitute teachers when we have them. We will continue to give our best effort no matter the challenges ahead.

We appreciate those who are using the parent loop or street parking every school day. Please do not use the staff parking lot to drop your children off in the morning or at 2:45pm pick-up. This has always been the expectation and those who are choosing to use it may be putting our students at risk and sometimes hold up our buses.

We have a couple field trips and activities coming up over the next couple of months. If you hope to volunteer and haven’t already done so, our next Volunteer Orientation is Thurs. January 30 at 3:15pm.

Please don’t forget to check out the document that was sent last week with information about our Grade 6-8 Career Exploration morning, happening April 15th. Thank you to those who have already reached out to us!

Have a wonderful week.

Shannon Storey
