

WEEKLY DRAGON TALES

March 16, 2025

Living the Langdon LAIR life

Hello Langdon school families,

Congratulations to our February Dragons of the Month! These students are wonderful examples of LAIR and we see the positive impact they have on our school community.

Kindergarten	Quinn A.
1A	Logan E.
2I	Breanna G.

Apr. 18 – Spring break begins

Save the date!

May 29 – Band Concert

June 19 – Grade 8 Farewell (evening)

June 23 – Awards (during the day)

I had a number of elementary students showing me their leprechaun traps on Friday. It was fun to see their imaginative creations and hear their explanations about how they work. I'm curious to see if any of them worked tomorrow ;).

It's tough to believe we are already planning for next year and the transition to high school for our grade 8's. Last week students received course pick sheets. These are due tomorrow so please take some time to help your child with their choices. Staff from Horseshoe Crossing will be here Tuesday to guide students through the PowerSchool process online. Mr. Legault and I will also be there to assist.

From RVS:

Real-time tracking with WheresTheBus

Thank you to everyone who has created a WheresTheBus account and started using the app to track your child's bus! RVS has now fully transitioned to using WhereTheBus, and is no longer using the Bus Status App to share bus information.

More information about WheresTheBus including how to create your account, use the app and frequently asked questions is available on the [RVS website](#).

Please note, WheresTheBus is one more tool to provide information about your child's bus ride and should not replace standard [safety measures](#) such as arriving to your bus stop five minutes before your child's scheduled pick up time, having a back up plan in case of a delay and ensuring your child is dressed appropriately for the weather. Please review the Parent/Guardian Responsibilities on the [Transportation section](#) of our website.

Happy St. Patrick's Day and have a great week,

Shannon Storey
