

WEEKLY DRAGON TALES

April 13, 2025

Living the Langdon LAIR life

Hello Langdon school families,

I want to thank you for coming to Parent/Teacher/Student interviews and/or our Showcase of Learning event. We were so happy with the turn-out and loved how excited students were to show you all the meaningful learning experiences from their classes. There was an impressive variety – from Aztec blacklight art, to samples from foods class to solar systems, math games, story writing, growing plants and musical performances and demonstrations. Students should feel proud, not just of their final products but the effort, growth and perseverance they show every day.

Thank you to School (Parent)Council and Council Chair Sara Roth for the digital safety resources they provided at Showcase. We can never have too many resources to help students make healthy decisions online.

The support for the Scholastic Book Fair is also something to celebrate! Thanks to your purchases, we raised \$2800 for the Learning Commons. Thank you to our LC facilitator, Ms. Tamara for all her planning and to her and volunteers for working the busy event.

Our Langdon Leadership students have planned some fun Easter activities this week including an egg colouring contest and egg hunt. Who knows? Maybe the bunny will show up Thursday as well?...

Enjoy the spring weather and have a great week!
Shannon Storey

Coming up:

Apr. 15 – Career Exploration morning gr. 6-8

Apr. 15 – grade 7 Badminton

Apr. 17 – Easter Activities/wear your favourite colour

Apr. 18 – Spring break begins
