

WEEKLY DRAGON TALES

May 4, 2025

Living the Langdon LAIR life

Hello Langdon school families,

Students in 2I, 2/3H, 4S, 5C and 6M were part of our Helping Hands Clean Up this past Friday. Students made our school grounds and some of the surrounding areas look like the property we all deserve to enjoy. Students enthusiastically showed off the biggest items, the most valuable items or weirdest items they found. I think the gold vampire teeth must be the weirdest! This year, there was less to pick up so that's a great sign that everyone is taking care of their environment a little better! Thank you to those students for modeling excellent citizenship!

Langdon School and Sarah Thompson School are working closely together to ensure a positive transition for our future Dragons! This is an exciting time and we can't wait to welcome the grade 5s. Events planned in a few weeks include:

- Mon. May 26th – tour for a small group of students
- Fri. May 30th - whole grade 5 group tour of Langdon School
- Thurs. June 12th Langdon School grade 5's are invited to go to see the grade 5s perform their farewell play
- Tues. June 17th - Play and Picnic for all grade 5s

Our annual Langdon's Got Talent show will be June 6 this year. All audition forms are due tomorrow. The office handed out an incredible amount of forms last week. We can't wait to see all the great acts during audition week (May 26) and at the show!

The nice weather certainly makes recesses and lunch hour more enjoyable. It may be tempting for our junior high students to extend these lunch hours. We have noticed an increased number of lates for grade 7 and 8s coming back from being off campus. Please help us communicate the importance of regular and punctual attendance. This is for the student's academic success as well as the others in the class. We appreciate and thank those who remain accountable and respectful to their teachers, the office staff and their peers.

Have a great week!
Shannon Storey
