

WEEKLY DRAGON TALES

May 11, 2025

Living the Langdon LAIR life

Hello Langdon school families,

As you can see under the *Coming Up* column, we will be packing a lot in over the next few weeks! One of the additions is our yearly Volunteer Tea on Thurs. June 12. We will send out the official invitation this week. Whether you have chaperoned a fieldtrip, helped in a classroom, presented at the Career Day, etc., we hope you can join us at 1pm that afternoon!

This Wednesday we are welcoming Inspiration Republic to present to our K-3s and grades 4-8s. The topic is Anti-Bullying and Resilience. Feel free to check out their website: <https://www.inspirationrepublic.org/> The pair presented virtually to our school two years ago on Black History and Anti-Racism. We are excited to welcome Joel and Germaine in person this year!

If you have a child at Horseshoe Crossing this message may sound familiar. We don't have a strict dress code at our school, but we do expect everyone to wear appropriate clothing for a place of learning even when the weather gets warm. To echo Mr. Fenton, this is not the beach. Thank you for your support.

Sarah Thompson students are visiting our school on May 30th. The daytime band concert will move from the 29th to the 30th so the grade 5s get an opportunity to see the performance. The evening concert stays on May 29th.

We received input from our Grade 8s about what they would like for their farewell this year. On June 19th we will have a small ceremony followed by a BBQ. This will be for the student and their immediate family members. Following the BBQ they wanted to have a "break the school rules" evening which will consist of video games, hide and seek, a water fight (weather pending) and maybe karaoke. And they're allowed to use their phones 😊. Staff won't be able to do this alone so we hope some parents can help supervise for the evening. We will send a volunteer sign-up form soon.

Holidays like Mother's Day can bring about some big feelings. We hope all the important women in your world have a wonderful day – moms, grandmas, aunts, foster moms, sisters, friends.

Have a great week!
Shannon Storey

Coming up:

May 12 – OurSchool Parent Survey opens (link will be sent in the morning)

May 14 – Inspiration Republic

May 16 – PL Day, no school students

May 19 – Victoria Day, no school
