Happy holiday Monday. We hope everyone enjoyed an extra-long weekend. We are now on the final stretch to summer! 27 school days to be exact!

This Wednesday we will celebrate our Winter/Spring extra-curricular groups during a pep rally led by the grade 6 leadership class. This day is also the next Spirit Day, and everyone is encouraged to dress up as twins/triplets.

RVS News:

Assessment at RVS: Numeracy and Literacy Interventions

Rocky View Schools is sharing a series of articles on the division website regarding assessments: the process of gathering data about student learning. This information is intended to help provide greater insight into why and when assessments are done and encourage ongoing communication between teachers and families to support student success.

Read the second article in our series this month, [covering numeracy and literacy interventions at RVS](#). Our earlier article, [Understanding Provincial and Divisional Assessments](#), is also available on our website.

Literacy and Numeracy Reassessments for Grades 1-3

Some students in Grades 1-3 who have been receiving intervention support in literacy and/or numeracy will be reassessed on one or more provincial assessments in late May to early June. Please note:

1. Not all students will be reassessed.
2. Kindergarten students are not required to be reassessed.
3. Final data will be returned to RVS in August; your child's next-year teacher will have access to the information to make informed decisions about intervention supports needed. Thank you for your understanding and support in our ongoing commitment to support student learning. If you are unsure if your child is being reassessed please reach out to their teacher.

Register Now to Save on Transportation Fees

Rocky View Schools (RVS) has opened transportation registration for the 2025/26 school year through SchoolEngage. Parents/guardians are encouraged to register by June 30 to receive a \$40 discount or by Aug. 1 to ensure bus service for the first day of school. In response to rising costs, transportation fees have increased for the coming school year. A list of fees is available on the RVS website. Families are encouraged to take advantage of the early registration discount to offset some of the transportation cost. Eligible families may also apply to have their transportation fees waived by completing a Transportation Fee Waiver.

Have a great week!
