This Year We Worked On:

- Building teacher capacity through professional learning – story workshop training, building thinking classrooms, courses and school wide PL on de-colonizing practice
- Consistency with classroom and school behaviour expectations

You Can Help By:

- Continue to talk to your children about career possibilities and connecting learning to the real world
- Ask your child about what they are learning about Indigenous Ways of Knowing

Next Year You Can Look Forward To:

- Dedicated literacy and numeracy blocks with enhanced learning tools
- Deepening our relationship with our Elder and Indigenous artists through collaborative learning and a school-wide performance
