

WEEKLY DRAGON TALES

June 16, 2025

Living the Langdon LAIR life

Hello Langdon school families,

Our leadership students welcomed Langdon volunteers and seniors from the community for two tea events at the end of last week. Thank you to everyone who was able to come and enjoy refreshments, conversation and some student entertainment. We love connecting with everyone in the school and greater community. Our students learn valuable citizenship skills and the opportunity to show gratitude to others.

Our grade 5s visited Sarah Thompson for their farewell performance and will get the chance to get to know their future classmates better this Tuesday. Students will meet up for a play and picnic near the community centre.

We will celebrate our grade 8s this coming Thursday evening. The night will start with a ceremony at 5:30pm followed by a BBQ for students and immediate family. Family members will then leave, and students are welcome to stay and have an evening of fun until 10pm. If the weather cooperates and there is interest, students can have a water fight outside followed by fun in the school. If a student leaves the building, they will not be permitted back inside. Parents are responsible for their child getting home safely. Students can dress up for the ceremony if they wish and bring a change of clothing for after the dinner.

As we wind down for the schoolyear, it's important to know that the learning does not stop. Teachers are finishing curriculum that serves as building blocks for the following year's content and skill acquisition. Grade 6s are still writing their Provincial Achievement tests. Teachers are completing various assessments and ensuring they provide students and parents an accurate snapshot of their child's learning on their report cards. Students are spending more time learning outside and with their buddy classes. The next week and a half will be over before we know it but there's still lots to wrap up!

Have a great week!

Shannon Storey
