- June 27 Langdon School goes to Calaway Park
- June 28 Awards Ceremony
- Last day of classes

## Administrative Message

June is always a busy time in schools. We are wrapping up our current school year and looking to the next. I wanted to let the Langdon community know I will be moving on from our school at the end of June. My time at Langdon has been packed with memorable experiences for me! I have learned from so many people and appreciate the opportunities I have had. I will miss your children immensely; they have brought joy and light to my tenure. Thank you to our staff for their dedication to learning and students. Thank you, parents, for your continued support and engaging us to continue the work we need to do to create a positive environment.

There will be other staffing changes at Langdon School. We have been very lucky to have such an amazing staff who have overcome so many obstacles. Everyday our staff brought their passion and professionalism to ensure that our students had the very best. Thank you to all the staff that helped to make this year one that people will remember for a very long time.

We are very happy to welcome and welcome back:

## Langdon School

(403) 936-4579

[langdonschool@rockyview.ab.ca](mailto:langdonschool@rockyview.ab.ca)

**Entry/Exit** \*\*Students enter through assigned doors

### Entry Time – Monday - Friday

8:05 am – All students

8:15 am – Start of Day

Attendance taken

### Exit Time

2:45 pm – Monday – Thursday

1:15 pm - Friday

**Nick MacDonald** – elementary generalist  
**Miranda Farmer** – middle school math and science  
**Courtney Kuytjes** – middle school math and science  
**Malia Grey** – middle school language arts  
**Sandria Christie** – middle school math and science  
**Nikki Smart** – CDA

Part of the changes also means we have to say goodbye to some terrific staff that gave so much to us this year. We wish them all luck in their future endeavors, no matter what that might bring.

**Amy Dennis** – elementary grade 1&2  
**Kim Jordan**- middle school math and science  
**Tracy Priolo** – educational assistant

## Lates

It is important that students arrive at school prior to 8:15 am. Student attendance is taken at 8:15 am then checked against the Safe Arrival app information prior to phone calls going out to parents.

Students arriving after 8:15 am are instructed to obtain a late slip from the front office where attendance adjustments are made indicating **late**.

## Warm Weather Wear

Langdon School has a current dress code. We know it needs updating but the process has not started. We ask that all students wear shorts that adequately cover and make sure muscle shirts/tank tops cover midsections (a small gap between top of shorts and start of shirt not more than 2 inches) and are not gaping at the arms holes. We have relaxed the two finger rule for the width of straps for tops as they are hard to find. Logos and graphics on t-shirts must be school appropriate. Thanks for your support!

## Volunteer Tea!

We are so BLOOMIN' grateful for our volunteers! We were lucky to welcome back so many volunteers this year to support students in many aspects of our school. Our volunteers bring a sense of connection and energy that help our students and staff. Thank you to all our volunteers in the school, on council, in society and coaches that helped to make this school a memorable one for so many.

To show our appreciation, please join us in the learning commons June 20 from 1:30-2:30 for a small program. RSVP [ewolfenden@rockyview.ab.ca](mailto:ewolfenden@rockyview.ab.ca)

## Calaway Park

We are excited to have students and staff heading to Calaway Park for a school-wide day of fun! Thanks, parent volunteers, for signing up for this trip. Due to limited space on the bus, parents are asked to drive to the park. I know this seems different from previous years, but, students are to take the bus **to and from** the park as part of a school-sponsored trip. Parents cannot drive students from a school sponsored trip due to RVS field trip insurance policy changes. Thanks for your understanding with this change.

Students and parents are welcome to use their park passes if they have them. Please print the QR code ahead of time or bring the code on a phone.

## Wax Museum

The students in 4/5F and 5C recently hosted Langdon School's annual Wax Museum. They shared presentations about famous and important Canadians to students and parents. This would not have been successful without the continued support from parents and the whole school community, so a huge shout-out to all who supported these 9 -12 year-olds in a variety of ways.

## Alberta High School Rodeo

We have two high school rodeo athletes that attend Langdon School and we just wanted to congratulate them on their accomplishments over this past season. Way to go Amiah Deeter-Shorhen and Lindsay Syntak! They both participated in Pole Bending, Breakaway Roping and Barrels.

## Langdon School Council

The final School Council meeting and AGM was held on Tuesday, May 31, 2022 at 7pm. All positions on the council are up for grabs so please check them out and get involved. Contact Norm Ellis if you have any questions, concerns or are interested in finding out more about any of the positions. Our mission statement is as follows: To encourage and enhance children's lives at Langdon School through discussion, creative ventures, and combined knowledge. Please get involved and have a say!

## Learning Commons

June is finally upon us, and what that means for our school library is we are starting the hunt for any lingering books that have not made their way back to the library yet. So, we are asking for your help Langdon School parents, please encourage your kids to look for any missing books and stuff their backpacks with them so they can return them to the school.

We are also collecting textbooks starting the week of June 13th, the exceptions obviously being any Grade 9's and 6's that are still using theirs to study for PATs. Please help your kids remember to bring those back as well.

## Langdon School Carnival 2022

The grade 7, 8 & 9 leadership students have been busy planning a fun day for the grade 1 - 9 students on Friday June 24th. All staff and students are invited to dress as their favourite circus character for the day (ex. clown, juggler, performer, ringmaster, animal, etc). 1 - 6 will participate in activity stations with a circus theme in the morning followed by food trucks and the 7 - 9 will participate in the stations in the afternoon. Students are welcome to bring cash or debit to purchase food and/or treats from the food trucks.
