Dear Langdon Families,

The first week went well! We must re-establish routines - sanitizing on the way into the school, sanitizing or washing frequently throughout the day, wearing masks over noses, wiping devices, etc.- but the students are responding well! It is so nice to hear laughter, talking, music...

Immediate information:

The intention for choosing online/in-school learning survey has been sent this week. Complete the form by Friday at 5:00 so we know if your child is face-to-face or online for the remainder of the year.

Off-campus passes will be issued to students on Thursday January 14, 2021. We have talked to the grade 7-9 classes about the privilege and expectations that come with the pass, and know they are going to meet these! Here is what we expect:

1. Show respect to people and our environment.
2. Use manners.
3. Clean up after ourselves.

The students with off-campus passes, will leave through the front office, showing passes. They can return through their grade doors at the end of lunch. If they are quick, get something and return to eat here (first 15 minutes) they will be able to do this. Thanks for your understanding.

If you did not complete an off-campus form for your child but would like them to access this privilege, please complete and return the form to the office.

Other Information:

Kindergarten registration opens January 18, 2021 for the 2021-22 school year. All children must be 5 years old by December 2021 to be registered. Please note that Langdon School runs full-day Kindergarten.

Students in grades 7-9 are welcome to leave backpacks with belongings in their classes over the lunch break. Doors will be locked. This is to avoid carrying too much weight or damaging their property. Classes have shelves, racks, or spaces for this. There are also designated boot racks in halls close to classrooms, should we need our good 'ol winter boots again!!

Fees for options can be paid using SchoolCash on-line.

Staffing updates:

Mrs. Walsh joined us before Christmas. As an Educational Assistant she works in classes to support all students and those on learning plans. Mrs. Walsh has settled in quickly and is developing relationships with the students.

Ms. Olafson is joining us to cover the grade 7D and 7I while Mrs. Donahue-Sumka is on her leave. She will be starting on January 18th, 2021.

Sincerely,
Langdon Administration
