January 7, 2021

Happy New Year, Langdon Families!

And welcome back! We hope all of you were healthy over the break. The weather was truly spectacular, lending itself to outdoor walks, skating and fun as families.

We want to thank teachers and families for their incredible flexibility in shifting quickly into the online environment. The lesson and units were seamless and organized. The teachers who remained in the school deserve our thanks, as well. Thanks for your flexibility as we shifted schedules, supervision times, and routines a month before Christmas. You did it all and kept the Christmas season alive for the students!

Online classes are well underway this week. We trust the students are getting back into routines... getting up at a set time, doing some work each day, completing projects. It is a gentle start! Classes are starting up face-to-face for all students Monday, January 11, 2021. We will continue to follow the COVID health protocols (Daily health check completed at home, masks for students grades 4-9/staff/visitors, staggered entries, staggered breaks, cohort classes, etc.). If you borrowed a school device, please return it with your child.

Next week (Monday January 11<sup>th</sup>, 2021), all of our parent/guardian community will have an opportunity to declare their intentions for the rest of the school year regarding the format their child(ren) will receive their instruction. It is important that even if you are not wanting to make a change from in-school to online, or online to in-school that you indicated your choice for your child(ren). The window to submit your intentions is January 11<sup>th</sup> to 15<sup>th</sup>, 2021, please watch for an email with further instructions.

We look forward to seeing the students next week!!
