

# Langdon School

## Parent Information – October 7, 2020

Hello, Langdon School Families. A month under our belts! I hope everyone is feeling settled and back in the swing of learning!

### Safety for all!

Students are doing a really good job of sanitizing, washing, covering and wearing masks, where applicable. It is easy to become relaxed as we feel more comfortable, but, we simply must continue to be aware and stringent in our safety protocols.

### Daily Health Checklist

Parents and Guardians are **required** to complete the Health Checklist Protocol each day **before** leaving the house for the bus or school. The protocol is to be completed at home for each child. This is a required responsibility for all parents to assess health **prior to arrival** at school. We are all responsible for stopping the spread and mitigating risk in our schools. Click here for the [Daily Questionnaire](#).

Those with symptoms have an obligation to self-isolate (unless symptoms are typical) until tested negative AND symptoms have resolved

### Safety on school grounds after hours

As many of you are aware, we have lots of areas open for students and families after school hours (8-4) . These include fields, the rock park, and the playground. We are noting students making unsafe choices. On the surveillance cameras we have seen students climbing on the power box, over fences and trying to get on the roof. This is a safety hazard. Please review safety at home with your child.

### Parent Drop-off and Pick-up

Parents, thanks for your cooperation using the parent loop drop off. We appreciate you dropping your children and moving out of the loop, easing traffic congestion. We ask you to please stay to the outside of the circle, as little people pop out of parent cars and are not always visible.

**PLEASE NOTE: There is no drop off or pick up permitted in the staff parking lot or the bus loop.**

### Assigned Doors

Students and families are using the designated doors. Thank you! This has decreased congestion at the doors.

**Entry/Exit** \*\*School start and continuing until further notice through assigned doors.

### Entry Time

8:05 am – All students riding the bus  
8:10 am – All students being dropped off via parent loop  
8:15am – All students walking to school.

### Exit Time

2:40 – Those walking

2:45 – Those on the bus and pick up

### Lates

It is important that students arrive at school at their designated time for entry. We realize there are unforeseen circumstances that occasionally result in a child being late for school. If your child arrives at school after the last wave of students have entered, please direct them to the main doors where a supervisor will meet them and bring them into the school to ensure our attendance is accurate and they are accounted for.

### Item Drop Off

Forgotten lunches? Shoes? Homework? On occasion, parents need to drop off items for their child during the school day. We will have a cart at the front entrance where you can leave items that are clearly marked with the child's first and last name.

### Appointments

There may be times when you need to pick up your child during instructional time. In the past, parents have come into the school to sign-out their children. This is no longer possible. If your child needs to leave for an appointment during the day, please email the teacher and copy our general email ([langdon@rockyview.ab.ca](mailto:langdon@rockyview.ab.ca)). We will do our best to have your child ready to go when you arrive at the main doors for pick up. Students may return to the school through the front entry after appointments in order to maintain learning, where time permits.
