

Grades 6 and 9 Provincial Achievement Tests (PATs) Quick Facts for Students and Parents/Guardians

What are Provincial Achievement Tests?

Provincial Achievement Tests (PATs) are administered to students in grades 6 and 9 and have three main purposes:

- to determine if students are learning what they are expected to learn;
- to report to Albertans how well students have achieved provincial standards at given points in their schooling;
- to assist schools, authorities, and the province in monitoring and improving student learning.

When are Provincial Achievement Tests administered?

PATs are administered annually in May and June in English and French language arts, mathematics, science and social studies in grade 6 and grade 9. Some grade 9 students write PATs in January.

Are there any practice questions my child can do before writing Provincial Achievement Tests?

Yes. Students can try out the released questions from previous provincial achievement tests that are located at <https://questaplus.alberta.ca>.

When will I find out my child's Provincial Achievement Test results?

School staff share preliminary results with parents after the PAT administration. Individual Student Profiles (ISPs) are available to schools in the fall of the following school year. School staff will provide parents access to their child's ISP through at least one the following options:

- Forward the PDF ISP electronically to parents using the school's digital system
- Print and mail a paper copy
- Sign-up parents for [MyPass](#) where they may access their child's account and results directly
- A record of the ISP must be retained in the student's record in accordance with the *Student Record Regulation*.
